

## **Journeys of Desire: OLLI Winter 2021: Streaming Films for Class**

Each week in class one film will receive a concentrated focus. Since we cannot watch the movie during class, it is suggested that you stream it before the day we discuss it in class. There is a separate charge for this service (as little as \$16 for streaming all six films, one for each class meeting). Streaming the films will maximize your learning experience and enjoyment but is not a requirement for taking the course.

Below are links to streaming services for each week's film:
